

BI-CHEM® Freshen Plus Odor Controller

BI-CHEM® Freshen Plus is a novel odor controller that goes beyond typical odor control products. *BI-CHEM Freshen Plus* combines a proprietary chemical formulation for immediate odor control with the penetrating, long-lasting freshening effects of bioenzymatics.

Applications

- Carpet and upholstery
- Garbage cans
- Bathroom
- Laundry area
- Garage and basement
- Pet bedding and cages
- Auto interiors
- Fabric care

BI-CHEM Freshen Plus is not a coverup. It goes to the source of odor and eliminates it.

Spray *BI-CHEM Freshen Plus* directly onto surfaces where odors are a problem. *BI-CHEM Freshen Plus* can also be used for wiping and

mopping surfaces. Mix 4-8 ounces of *BI-CHEM Freshen Plus* per gallon of water and wipe or mop surface. Rinsing is not needed. Do not use *BI-CHEM Freshen Plus* on food contact surfaces. Do not use as an atomizer.

Benefits

- Eliminates odors from carpet and fabric in your home and car – spray directly onto carpet, upholstery, and fabric to eliminate smoke and perspiration odors
- Destroys foul odors in and around garbage collection areas – spray directly into garbage receptacles and on surfaces where decaying or rotting food particles collect
- Stops odors in bathrooms – spray around toilets to eliminate urine odors
- Prevents odors in pet bedding and cages -spray directly onto the surfaces where odors linger
- Cleans and eliminates odors on athletic equipment
- Removes mildew and other foul odors from clothing and fabric
- Stops musty odors in basements and garages
- Maintains freshness longer

Product Characteristics

Bacteria Specification	5.4 x 10 ⁷ cfu/ml (200 bil cfu/gal)
Bacteria Type	Blend of <i>Bacillus</i> Spores
pH Range	7.5 - 8.5
Appearance	Slightly cloudy liquid
Fragrance	Mild, clean fragrance
Stability	2 years + at 35° - 95°F (2° - 35°C)
